Service Increase Effective January 1, 2012.....

Beleza Clients, as a valued customer of our company, Inc. you have come to expect the highest quality in products and services. You can always look to Beleza as a trendsetter, knowledgeable, talented, modern and current technology, and professional and talented hair dressers and educators.

In order to continue to provide the high level of services, and continue to meet your needs, we will need to increase our service rate by \$5.00 for certain services. Please make sure you get an accurate price quote during your consultation. If you feel you may need to switch to another stylist in the salon for a lower service rate, please feel free to try another stylist. The increase will allow us to continue to improve the high quality services that you expect. Beleza is committed to service excellence. If you have any questions about your recent service or wish to inquire about a new service, we can be reached at (919) 484-0423, live chat during business hours and some off peak hours, or by email at info@belezacouturestudio.com.
